

TAKING PERSONAL DAY RATHER THAN PD MAKEUP

Any teachers who are taking a personal day rather than completing 6 hours of professional development makeup should turn their names into Pam Richardson. At the end of May, the information will be sent to Human Resources.

CHILD MALTREATMENT - REPEAT

All certified teachers are required to complete the Mandated Reporting of Child Maltreatment that is located online by April 1, 2014. Time was allotted during Collaboration on Wednesday, February 12, 2014, to complete this online professional development. Please make sure you print your certificate of completion and give it to Dr. Marbury.
