

Adding the HIVE wireless network to an iDevice – iPad, iPod, iPhone

1. Go to the homepage on your iPad

2. Tap on Settings

3. Choose WiFi

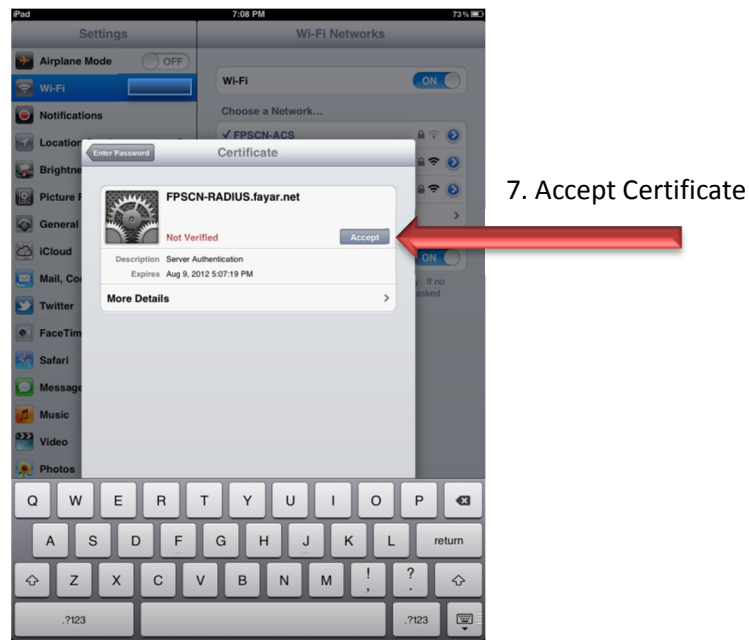

4. Tap Hive

5. Type your district
username and password

6. Tap Join

8. Verify Hive has a checkmark beside it and your WiFi connection is Hive

****You are now connected to our new Hive WiFi network. If you need assistance or have any questions please let me know.
