Dear Participant,

Congratulations! You have been accepted to the Math & Physics Workshop. This is a 26-hour workshop with a stipend up to \$750 based on complete participation in all activities. The workshop will start Sunday, June 3rd at 5:30 pm and end Wednesday, June 6th at 5:00 pm. The goal of the workshop is to develop an interdisciplinary activity that includes a physics investigation and a math-modeling lesson. On the last day of the workshop, each group will present their activity. This letter confirms your registration and we look forward to seeing you in June. If you decide to not participate, please notify the College Ready office by May 30th.

Be sure to bring the following items: calculator, pen or pencil, paper, three-ring binder, and a sweater or jacket for the lab (lab rooms are kept at a cool temperature). Please bring a copy of the textbook you use in your classroom as a reference to share with others in your group.

Sincerely,

Blake Decker
Partnership Manager

Parking and Forms

Parking:

All participants staying in the dorms are issued one prepaid parking pass valid for the week of their workshop. Lost, stolen or destroyed parking passes are replaced at the cost of the participant. Parking passes and parking maps can be bought and viewed at <http://parking.uark.edu/>.

Staying on campus:

For those staying in the dorms, we recommend you park your car when you arrive in one of the authorized areas (listed below) and leave your car there until you depart. **This permit authorizes parking in UA parking areas designated as FACULTY/STAFF (yellow); STUDENT (green); REMOTE (orange), Resident Reserved (red) and silver UA parking meters (you do not need to feed the meter). DO NOT PARK in the parking garage or at any GOLD meters. If you are issued a ticket while on campus you will be responsible for the fine. (Please see attached map)**

Driving Daily:

For those driving each day, you will need to park in the Harmon Parking Garage. When you arrive each day you will need to pull a ticket from the machine and bring it to the workshop with you. There will be someone available in the morning (possibly on breaks) and at lunch time to validate your tickets. It is between Duncan Avenue and Harmon Avenue on Williams Street. This is the only place you are authorized to park. **If you are issued a ticket while on campus you will be responsible for the fine. (Please see attached map)**

Forms:

A completed copy of each of the forms below (except the w-9) will be given to you when you check in for your workshop. You will need to verify that everything is correct, and sign and return them to me immediately.

- Stipend Form – **All stipends will be processed during the month of July. If you don't receive your stipend by August 1st then contact me. Please do not contact me prior to that.** See the table below for Stipend eligibility.

Workshop Name	Maximum Stipend Amount
Physics Master Teacher	\$1500
Physics – K & D	\$1500
Physics – Wave/Optics	\$750
Physics – Modern	\$750
Math & Physics Topical	\$750
Math Master Teacher	\$1500
PreAP	\$1250
AP Cal BC	\$1250
Quantitative Literacy	\$1250

- Mileage Reimbursement/Participant Information Form - Use this form to update and make any changes to your personal information. Please update any information that has changed so I can keep my records current.
- W9 Form – This form is required each year by the University in order to pay your stipend and/or your mileage reimbursement and must be turned in to me before you leave campus at the end of the week.

****You will be required to complete this form yourself.**
