TI-73 EXPLORER

Texas Instruments

COLOR:GREEN   NUM:35

Pictograph

Built-in Features

The ideal tool for middle grades math, science and more!

- Use stacked fractions and constant key
- Enter and view data in the list editor
- Analyze data using statistical features
- Perform English and metric conversions
- Plot data in pie charts, pictographs, bar charts, scatterplots, histograms

Features

COLOR c	NUM	----- 1
RED	15	
GREEN	35	
YELLOW	25	
BLUE	10	
BROWN	10	
ORANGE	25	
PURPLE	30
