

STC Recommendation for Recycled Computers

Who	#	Reason	Monitors?	Comment	STC Rec	Clarifications
Academy: DeAnn Whittle	15	PLATO and keyboarding skills	Will request donations, when approved for computers.		5	See CS Request
Computer Science: Mike Robinson	20 or less	Use in Computer Science to replace out of date computers.		May get computer from Quillen.	20	To move 10 of these to the Academy when CS get the new workstations.
Media Center: Sarah Robinson	5	More access		ZapMe! May be coming.	5	Depending on the 15 ZapMe! Computers, and that they do what is expected.
Speech and Debate: Tim Hollis	4 or 5	To keep update on current news and research topics for debate.		New Request	0	Suggest that he use the Academic Lab down the hall, or the FASST Center 7 th Period.
Advanced Biology: Bill Rosser	2	To connect to his two Spec20D spectrophotometers.		New Request	0	Suggest that he use the Computer in his classroom office.
Social Science: Susan Colvin	1	To use for floating teacher (Nate Magre)		Don has requested that this be one of the computers.	1	She has it now, and still needs a monitor.
Attendance	1	Attendance		Don has requested that this be one of the computers.	0	Since they only need a monitor, we can't help.
Physics: Marc Reif	3	Technological largesse, as well as problem based learning and instrumentation interfacing.			3	
CBI: Carlta Greenberry	7	Classroom use.			0	Suggest that she use the Academic lab and get some advise on access.
SwS: Wisty Rorabacher	5	Replace old computers and get into cycle for replacement.	Has them.		0	Unsure if her computers should be in the cycle.
Newspaper: Geniece Yates	?	Publishing and multimedia		Wants Macs.	0	Got money donated for one.
West: Lee Haight	?	Save them for PLATO.			0	Sorry....
ESL: Donna Bennet	4	80% of the time doing communication and language composition.			1	Must have one of the computers with a CD drive.
Lab 5: Barbara Rademacher	5	To bring this lab up closer to 30, which is what all the other labs have.			0	Acknowledge this need for 10 more computers to make them compare to the other labs.
				TOTAL =	35
